MAXIENT

The Experts in Student Conduct Software

When you partner with 3rd Millennium Classrooms, leverage our relationship with Maxient to streamline your conduct case management!

Manage all referrals in one place without leaving Maxient. Contact Maxient client support via phone or help ticket to integrate your 3rd Millennium course control numbers into your Maxient platform.

It's as simple as, "We are working with 3rd Mil and would like to integrate our 3rd Mil courses with our Maxient platform. Here are our course control numbers."

Your course control numbers are printed at the top of your student instruction sheets.

Reach out to your Maxient representative for more help.
