

We affirm that a Type 2 SOC 2 examination of 3rd Millennium Classrooms' (the "Company") E-Learning Program Services System was conducted throughout the period of throughout the period December 1, 2022 to November 30, 2023.

The scope of the examination performed by A-LIGN ASSURANCE included the suitability of the design and operating effective of controls stated in the description throughout the period December 1, 2022 to November 30, 2023, to provide reasonable assurance that 3rd Millennium's device commitments and system requirements were achieved based on 2017 Trust Services Criteria (TSP section 100) regarding Common Criteria/Security surrounding the Company's E-Learning Program services system.

The examination of management's assertions as included in the "Report of Management on Controls" was conducted in accordance with the attestation standards established by the AICPA, and was performed to determine if the written assertion by management fairly presents the Company's environment related to the 2017 Trust Services Criteria regarding Common Criteria/Security in all material respects, and based upon criteria stated by the AICPA. All testing procedures related to the Company's E-Learning Program services system are complete.

Based on examination, reasonable assurance has been obtained, in all material respects, that (1) the description was designed and implemented throughout the period December 1, 2022 to November 30, 2023 in accordance with the description criteria, (2) the controls stated in the description were suitably designed throughout the period December 1, 2022 to November 30, 2023 and (3) the control stated in the description operative effectively throughout the period December 1, 2022 to November 30, 2023.
